Dear Alan,

On behalf of our Board of Directors, staff, volunteers and most importantly, the children and families we serve, I would like to thank you for donating an in-house gourmet four course dinner for four to our **2012 Children's Hero Award Gala**. This contribution received on September 18, 2012, valued at \$500, is tax deductible to the fullest extent of the law.

We could not do what we do for children and families without the continued support of donors like you! Thank you so much for your warm generosity toward children in the foster care system.

For over 30 years, the Family Resource Center has been dedicated to the treatment and prevention of child abuse through the strengthening of families in Miami-Dade County. The Center has become a beacon of hope for those most in need of safety and stability. We would not be able to provide these vital programs without donations and leadership such as yours. We understand there are many charities in need and we thank you for choosing Family Resource Center.

Again, thank you for the difference you are making in the lives of the children and families.

Sincerely,

Alyssa Krop-Brandfon
Development Manager

Please Note: IRS regulations require that taxpayers who make a charitable contribution valued at \$75.00 or more have a written substantiation from the recipient organization in order to claim a deduction. The state of Florida also requires that we give you our Solicitation Registration Number: CH2099. No goods or services were received in return for this contribution. Please retain this letter for your records.
